

Destin Biringanine

Experience

2020–2021

IT • Consultant • Herton.pro

2021–Today

Core Team • Member • Google Developer Students Clubs

This tell about experiences in enterprises but in additional of this I work at many other projects, soon I will add the link of the github.com repositories.

Education

Alfajiri College, Bukavu, DRC

- Primary school with a national certification of 79%, secondary school with a national diploma of 69%

Meuble Academy, Bukavu, DRC

- A training in electronic and web developing of five months

Catholic University of Bukavu, Bukavu, DRC

- I'm still student in the department of Computer Science

Leadership

Now, I'm a monitor of the Sunday school at my church. I teach more than 243 child how to growth better and to become important persons in their community in order to impact positively their community.
